

NEWENT ORCHESTRAL SOCIETY

COVID-19 - REVISED GUIDANCE FOR REHEARSALS FROM MARCH 2022

Now that we are learning to live with Covid-19, the previous formal rules that we have asked you to follow are replaced with the following brief but important advice.

We ask you to continue to remain spaced from other members, and always be aware of the sensitivities and potential vulnerabilities of others in deciding whether to attend if you feel unwell.

Resume sharing of music stands and music as necessary but keep apart as far as practical.

You may still wish to take a lateral flow test for Covid-19 and wear a mask if you want but these are no longer requirements.

Colin Henderson

Newent Orchestra Treasurer and lead, Covid-19 risk reduction measures
